BTNet is an e-mail network sponsored and administered by the Burning Tree PTA, and represents the fastest, most effective means of communication among the school, the PTA and the parent community. The purpose is to provide up-to-date information relating to PTA business, school affairs or educational advocacy issues to Burning Tree parents and staff.

Please note that BTNet is used by the school and the PTA for announcements and reminders of events and meetings, requests for volunteers, and information on bus schedules and inclement weather closings and cancellations. We encourage you to join BTNet as it is often the most efficient means of communication among the school, the PTA and the parent community in the event of an emergency.

Messages sent to BTNet will be posted within 24 hours; inappropriate e-mails will be rejected. The Burning Tree "*Community Update*" is published every week on BTNet for an exchange of information on topics that are **NOT** appropriate for BTNet, such as tutors, child care, community performances, vacancies on sports teams, lost items, etc. Please e-mail Kate Smith directly at [kmacsmith@me.com](mailto:kmacsmith@me.com) to post an announcement on the Community Update.

To sign up for BTNet, send your request to our BTNet Administrator, Lauren Robin at [laurenpr@comcast.net](mailto:laurenpr@comcast.net). (If you signed up for BTNet in a previous year, you do NOT have to sign up again.) Please include the following information:

- Name
- Child(ren) name and grade
- E-mail address(es)

**BTNet is a very important avenue of school/PTA communication.
